Overall Excellence in Sports

The school teams excelled in Cricket, Basketball, Football, Hockey, Speedball, Skating, Rope Skipping, Martial Arts, Kabaddi, Kho-Kho, and Athletics, winning several trophies and accolades.

➤ Co-Curricular Activities & Clubs

Co-curricular activities played a vital role in nurturing creativity, confidence, leadership, and teamwork among students. These activities complemented academic learning and encouraged active participation.

Students enthusiastically participated in debates, quizzes, declamations, music, dance, art and craft, inter-house competitions, cultural celebrations, and value-based assemblies, contributing to their all-round development.

Clubs & Societies

To promote interest-based learning, creativity, cultural awareness, and life skills, a wide range of clubs and societies functioned actively throughout the academic session:

Eco Club – Promoting environmental awareness, sustainability, and responsible citizenship

Literary Club – Enhancing communication skills, creative writing, public speaking, and reading habits

Science Club – Encouraging scientific inquiry, experimentation, innovation, and curiosity

Mathematics Club – Strengthening logical thinking, problem-solving skills, and numerical aptitude

Cyber Club – Promoting digital literacy, cyber safety, and responsible use of technology

Sports Club – Encouraging physical fitness, teamwork, discipline, and sportsmanship

Yoga Club – Focusing on physical health, mental well-being, concentration, and stress management

Cultural Club – Promoting cultural awareness, performing arts, traditions, and creative expression

Sanskrit Club – Encouraging appreciation of Sanskrit language, literature, and Indian heritage

Punjabi Club – Promoting regional language, culture, folk traditions, and literary expression

SUPW Club – Inculcating social responsibility, life skills, dignity of labour, and community service

These clubs provided meaningful platforms for students to explore their talents, develop leadership qualities, and grow into confident, skilled, and socially responsible individuals.

➤ **Teachers' empowerment**

Teachers training conducted by CBSE. In addition school organised in house training session/workshop to ensure continuous professional development and effective class room practices.

- Enriching Exchange Program with students of IIM Jammu
- Motivational Workshop by resource persons alumni IIM Calcutta, conducted by Chitkara University
- Scholarship Examinations organized by Lovely Professional University
- Interactive Session on Artificial Intelligence and Machine Learning by Shoolini University at IDPS Akhnoor

➤ **Infrastructure Development**

During the academic session 2025–2026, International Delhi Public School, Akhnoor continued to strengthen its infrastructure to support quality education and modern learning practices.

- Newly built science laboratories equipped with modern apparatus to enhance practical learning and scientific inquiry
- New classrooms designed to provide a comfortable, safe, and student-friendly learning environment
- Introduction and strengthening of Science streams, offering students improved academic opportunities and subject-specific infrastructure
- Upgraded computer laboratories and enhanced digital learning resources
- Improved sports facilities and safety measures
- Well-maintained library with enriched academic resources

These infrastructure developments significantly enhanced the teaching–learning process and reinforced the school’s commitment to academic excellence and holistic growth.

The school continued to strengthen its infrastructure to support effective teaching and learning:

➤ **Conclusion**

The academic session 2025–2026 stands as a testament to the collective efforts of students, teachers, parents, and management. The achievements of the year reflect the school’s commitment to excellence, values, and holistic education.

➤ **Future Plans**

- The school aims to:
- Expand digital and experiential learning
- Strengthen skill-based education
- Enhance sports and co-curricular infrastructure
- Continue innovation and professional development

➤ **Acknowledgement**

We express our sincere gratitude to the Management, Principal, teachers, non-teaching staff, parents, and students for their cooperation and dedication throughout the academic session.

Thank you.
